2020 Host of

Club History

TPC Boston has hosted 17 PGA TOUR Events, most recently the 2020 PGA TOUR FedExCup Playoff event, THE NORTHERN TRUST. Crafted to fit into the natural New England landscape, lush fairways and bentgrass greens traverse gently rolling hills, with stands of mature trees, chocolate-drop mounds, numerous wetland areas, fescues and native grasses, and 64 bunkers creating a stunning backdrop for this superb test of golf in Norton's Great Woods. While challenging enough for the best players in the world during THE NORTHERN TRUST, five sets of tees on each hole make the course enjoyable for golfers of all skill levels.

TPC Boston, originally designed by Arnold Palmer, opened in 2002. Golf Digest honored TPC Boston as "Top 10 Best New Private Clubs in the U.S." In 2007, TPC Boston was masterfully redesigned by architect Gil Hanse with Brad Faxon as the player consultant. Following the 2007 renovation Golf Digest honored TPC Boston as "Best New Private Remodel."
