# Course Overview

## PROFESSIONAL-QUALITY GOLF, WITHOUT THE PROFESSIONAL'S BUDGET

- There was perhaps no architect more suited to craft TPC Deere Run golf course than designer, D.A. Weibring. As an Illinois native and three-time champion of the Quad Cities Classic (the forerunner to the John Deere Classic currently hosted by the club), Weibring knew exactly how to bring out the best of the picturesque Mid-Mississippi River Valley landscape while staying true to the PGA TOUR's standards and traditions.
- Weibring instilled an old-time feel to TPC Deere Run, providing a great blend of challenge and playability. "It has all the things I think you'd like to have in a golf course," says Weibring. "There are elevation changes, great views and scenery, hardwood trees. You have the Rock River complemented with small ponds and deep ravines... and best of all, there's no real estate. What's more, the natural features of the former Arabian horse farm high above the Rock River Valley have not been compromised."
- Some of golf's greatest names have found themselves seriously challenged by the risk-reward layout at TPC Deere Run each year at the John Deere Classic. You too, can have the same experience. Five sets of tees on each hole make for an enjoyable round for every level of player.

# The PGA TOUR's TPC Network

## A NETWORK OF OPPORTUNITIES

Licensed by the PGA TOUR, the TPC Network is comprised of more than 30 premier private, resort, and daily fee golf properties designed by some of golf's most elite architects. Eighteen of the clubs are operated by affiliates of the PGA TOUR Golf Course Properties, Inc. Each TPC has hosted or has been designed to host TOUR-sponsored golf tournaments.

Since TPC Sawgrass first opened its world-renowned PLAYERS Stadium Course in the fall of 1980, TPCs have provided the PGA TOUR with rent-free venues for tournament, helping to boost championship golf purses and increasing charitable donations. At the same time, TPCs have provided recreational golfers with the unique opportunity to test their skills on the same layouts where the world's best golfers compete. TPCs are known for their outstanding conditioning and amenities, as well as a commitment to environmental excellence.

The TPC Network is also distinguished by its unwavering commitment to further the PGA TOUR's "Together, Anything's Possible" giving back mission through support of charitable and community based programs.
