

DEERE RUN

Butch Haverland, PGA

Director of Instruction

PGA Jr. League <https://www.pgajrleague.com/> is changing the way golf is learned and played through its fun, team-oriented approach. Boys and girls of all skill levels learn and play the game with expert coaching and guidance from PGA/LPGA Professional Captains, wear numbered jerseys, and compete on teams with friends in a two-person scramble format that encourages mentorship and builds confidence.

Our PGA Jr. League players receive coaching and guidance from a PGA and/or LPGA Professional, organized team practice sessions and regular matches held within the league. Each player also receives: - Two high quality Garb jerseys (home and away), available in both girls and boys sizes - Bag tag - Performance ball cap - Performance tee-shirt - Draw string bag - Access to the PGA Jr. League Merchandise Store - And more!

Hello Team,

This will be my 5th year as a Captain. I will also say this is my favorite Junior Golf Program I've ever been associated with. The PGA is making good refinements and the program keeps getting better each year. I look forward to coaching and creating a fun atmosphere while learning the great game of golf.

I plan to have 5 lesson times that will include all facets to the game of golf. We will study, full-swing, putting, chipping, sand and much more. I will get these scheduled once the teams are set. We are associated with the Quad Cities Junior League and will be playing matches against the other area teams. Most of the matches are afternoons and last about 2-3 hours. A minimum of 4 matches will be played.

Golf is a great game and the more good fundamentals we build early, the better the golf game grows. I look forward to working with everyone along with having some fun!

Thank you,
