Course Overview

PROFESSIONAL-QUALITY GOLF, WITHOUT THE PROFESSIONAL'S BUDGET

TPC Las Vegas is “desert elegance” on display. From the stunning backdrop of Red Rock Canyon, the rugged natural landscape, TPC Las Vegas golf course (formerly known as TPC Canyons) offers a test to the most seasoned of golfers. This is the premier PGA TOUR property in Las Vegas making it a destination for celebrities and PGA TOUR players alike. It's no wonder the golf course has been heralded by *Golf Digest* as one of the “Best Places to Play.”

The Bobby Weed and Raymond Floyd design is a par 71, 7,104-yard golf course that will test your skills while dazzling you with views of the surrounding mountains, canyons and the famed Las Vegas skyline. Your shotmaking ability is put to the test early in your round on the par-3 second hole (appropriately named “Canyon”). You will need to carry your tee shot almost 200 yards from the tips to an island-like green in the middle of the desert.

The TPC Las Vegas golf course is recognized as a Certified Audubon Cooperative Sanctuary by the Audubon Cooperative Sanctuary System. The course is located within the nation's largest master-planned community of Summerlin and is just 20 minutes from the world-famous Las Vegas strip.

TPC Las Vegas served as host of the Champions TOUR's Las Vegas Senior Classic from 1997-1999 and the PGA TOUR's Shriners Hospitals for Children Open from 2000-2006.

Playing at TPC Las Vegas offers golfers the chance to experience the same standards of quality and service that are typically reserved for the pros.
