BALL DROPS: Drop zones are located behind the green on Holes #2 and #12.

PACE OF PLAY: Our pace of play is 4:25. Our Professional staff is here to help every guest enjoy their experience in a timely manner. If your group happens to fall behind the group directly in front of you, the following approaches may be administered;

1st Approach: Your group will receive a polite reminder about your current pace and asked to improve your time.

2nd Approach: Your group will be reminded of your current pace and discussions may ensue about how we can help your group improve your position (such as allowing groups to play through or skipping a hole).

3rd Approach: Our professional staff will reposition your group to accommodate all golfers on the course.

DEFINITION OF PENALTY AREAS: To help encourage our pace of play, TPC Las Vegas recommends playing all desert areas as red penalty areas defined by the edge of the manicured grass or outside edge of the cart path. Please proceed under rule 17.1 using the point of entry into the desert as your relief area.
