“I love this course...This is one of the best courses on tour.”

“If I had to play a golf course every day for the rest of my life, it would be something like this.”

Rory McIlroy

“It’s a really nice golf course.”

“It’s got a lot of holes that if you hit a good shot you can make birdie or eagle. And if the shot is not hit properly, you can easily make bogey. So it’s definitely got a great finish for the last four holes. I think it’s got a great mix of little holes around the course.”

Sergio Garcia

“It’s a fun course.”

“It’s awesome. The food is great That’s a very underrated thing about it...how great the food is and the service and stuff like that. That’s little stuff that doesn’t go unnoticed for us...”

Justin Thomas

“This may be the best TPC I’ve played.”

“It’s just a really good, tough golf course. It’s a great golf course. No tricks...if you play well, you get rewarded.”

Paul Casey
