A MESSAGE ABOUT YOUR SAFETY

In addition to standard ServSafe practices we have implemented more intense sanitation practices to ensure our dining room remains safe for everyone to visit and work in:

- All of our staff in the front of house and kitchen are wearing face masks to increase the safety of our guests.
- Every hour on the half hour, we are sanitizing all high touch surface areas such as doors, faucets, handles, POS Screens and bartops.
- This is a single use menu to ensure that you are the only person using this item. It will be thrown away after your order.
- We are setting a 30-minute kitchen timer where all staff washes their hands and changes their gloves.

This is in addition to normal handwashing procedures.

Above prices are subject to sales tax and voluntary service charge.

Consuming raw or undercooked meats, poultry, seafood, shellfish or eggs may increase your risk of food-borne illness.
