catering policies

1. A \$250.00 non-refundable function fee will be required to hold any room. This fee includes clean up, setup, table linens, tables, chairs, silverware, and glassware. Due to the demand of space available for banquets and special event use, a food and beverage minimum has been established for each of the available rooms. Room minimums are \$1000 per room Sunday-Thursday as well as Friday and Saturday lunch. Friday and Saturday night minimums are \$2000 per room. Banquet room reservations allow usage for up to four hours.
2. A \$250 per room non-refundable function fee will be taken at the time of booking. Upon receipt of your payment you will receive written confirmation of the date time, room and estimated number of guest for your signature. The Club accepts cash, check, or credit card payments for all payments. Thirty (30) days prior to your event 50% of the total estimated cost is due and your event is considered definite and confirmed. The remaining balance is due on the day of your event. All balances remaining unpaid after thirty (30) days will be referred to collections and the customer will be charged any associated fees. All food and beverage is subject to 22% service charge and applicable Tennessee state sales tax, which is added to the total cost of the function. All food and beverage prices are subject to change with notification.
3. Food and Beverage minimums will apply for each room. Any difference between the food and beverage charges (before tax and service charges) and the applicable minimum will be charged as a room rental fee. If the minimum is met, there will be no room rental fee. If the minimum is not met, we will be happy to advise you on additional choices in food and beverage which will bring you up to the agreed upon minimum for your function. To ensure satisfaction of all your event needs, we will make every effort to meet your requirements by reserving the proper room to suit the particular needs of your event. Should another room become available at a later date that would better suit your needs, the Club reserves the right to relocate your group upon receipt of your final guarantee. The Club will not relocate your event to a different room without notification. Events requiring room usage beyond contracted times incur a labor charge of \$300 per half hour.
4. For ordering purposes, the expected number of guests attending your event is due seventy-two (72) business hours in advance. Your charge will be based on this minimum guarantee or the actual number of guests, whichever is greater. The Club will prepare to serve up to 5% over the guarantee. Should your final count drop below the minimum guarantee, we will be happy to advise you on additional choices in food and beverage which will bring you up to the agreed upon minimum for your function. Once your contract has been signed, cancellations made within 120 days of event must be received in writing and will be subject to the following cancellation penalties: Within 30 days: 50% of all said costs based on the estimated F&B minimum. Within 7 days: 100% of all said costs based on the estimated F&B minimum.
5. The Club is not responsible for damage or loss of any items left in the club prior to or following any function. The Club shall not be liable for nonperformance of this contract when such nonperformance is attributable to labor troubles, disputes or strikes, accidents, Government (Federal, State, Municipal) regulations of, or restrictions upon travel or transportation, non availability of food, beverage or supplies, riots, national emergencies, acts of God and other causes whether enumerated herein or not, which are beyond the reasonable control of the club, preventing or interfering with the club's performance of its obligations under this contract.
6. All guests shall act in a manner in accordance with established club policies. The club reserves the right to discontinue service to patrons at the club's sole discretion. The Club also reserves the right to remove any guests of the function not acting in accordance with club policies. Any items to be displayed in the club or any directional signs require written approval in advance by the club.

A \$250 fee per day will be charged until items are removed. The club is not responsible for any damages or missing items which are brought into the club or left behind. - There will be no rice, confetti, birdseed, or glitter on Club property. Failure to adhere to this policy will result in a \$250 cleanup fee. - Should the client's function be based upon consumption, the client waives the right to dispute all inventories or counts which are relevant to the function. - The club shall not be liable for non performance of this contract due to labor troubles, disputes, strikes, accidents, government regulations, travel restrictions or any other circumstances which are uncontrollable by the club.
