Welcome to the TPC Network

BRINGING THE MAGIC OF THE PGA TOUR TO LIFE FOR OVER 40 YEARS

From tournament-tested golf courses to magnificent clubhouses, the TPC Network has consistently upheld the PGA TOUR's highest standards. Each TPC has hosted or has been designed to host PGA TOUR golf tournaments. For more than three decades, the TPC Network's refusal to compromise when it comes to quality has been recognized with countless honors and accolades. Our clubs have received awards for everything from the caliber of their courses to their commitment to the environment, and have been glowingly profiled in the pages of such prestigious publications as *Golf Digest*, *Golfweek*, *Zagat* and *Condé Nast Traveler*.

WALK IN THE SAME FOOTSTEPS AS THE PGA TOUR PROS

The TPC Network enables personal and business members to “live the PGA TOUR experience every day.” Your TPC membership comes with access to TPC Passport, a premium program offered exclusively to full golf members and provides full network playing privileges. Reserve starting times, book golf vacations, and attend one-of-a-kind teaching clinics at any TPC course with a single phone call or a few strokes on the keyboard. With TPC Passport you’ll enjoy a home course advantage whether you’re playing the fabled 17th Island Green at TPC Sawgrass or experiencing Private Club access at properties like TPC Boston. Although you may call one TPC “home,” our TPC Passport program provides you with membership access at not only our TPC clubs, but also a host of national and international partner properties.

A GREAT GOLF COURSE IS JUST THE START OF A TRULY MEMORABLE EXPERIENCE

In addition to tournament-ready course conditions, each TPC Network property is home to a handsomely appointed clubhouse that can host intimate business meetings and gala social affairs with equal ease. Additionally, TPCs offer a wide variety of premier dining options featuring freshly prepared cuisine by some of the areas' best chefs and culinary teams. Other amenities range from well-stocked wine cellars to beautifully landscaped gardens. And if you need to brush up on your game, all TPC properties offer high-tech teaching tools and personalized instruction from certified PGA golf professionals along with state-of-the-art practice and fitness facilities and expansive golf shops.

HOST YOUR EVENT WHERE THE PGA TOUR HOSTS THEIRS

PGA TOUR & TPC NETWORK IMPACT

Giving back to the communities in which we play and have clubs has always been at the heart of the PGA TOUR and TPC Network. In fact, the PGA TOUR founded the TPC Network with their philanthropic impact in mind. By providing rent-free tournament venues since 1980, the TPC has saved millions of dollars – funds that have been used to increase the TOUR's charitable donations significantly.

Our TOUR players, employees, members and guests have all enthusiastically embraced our philanthropic commitment, extending our efforts to give hundreds of thousands of dollars to our country's most deserving organizations.

PRESERVING NATURAL BEAUTY BY PROTECTING THE ENVIRONMENT

All TPC Network properties practice ecologically-sound land management and conservation, and many are currently certified or in the process of moving towards certification as Audubon International Cooperative Sanctuaries. Carefully designed not to displace local wildlife or damage the environment, our courses both reflect and respect the beauty of their natural surroundings.
